

HIMANSHI VERMA

Phone – 8851649724 | Email – hv.himanshi.verma@gmail.com | [Portfolio](#)

SKILLS

Programming Languages

C/C++, Python, Html/Css,
PHP, Javascript, Java,
SQL, Data Structure,
Algorithms

FrameWorks/Systems

Django, React,
Django Rest Framework,
ROS, Gazebo, Arduino
Raspberry Pi

Database

Postgresql , Sqlite3,
MySQL

Qualities

- Good Team Player
- Passionate
- Innovative Thinking
- Quick Learning Ability
- Positive Attitude

Languages

- Hindi
- English

ACADEMIC DETAILS

Ashok Memorial Public School

X | 2012
Marks - 84.50%

Ashok Memorial Public School

XII | 2014
Marks - 73.50%,

GGSIU

G B Pant Engineering College
B.Tech(CSE)| 2019
Marks – 75.90%,

CERTIFICATES

IOT-Internet Of Things

Innovians Technologies, Noida

Python Programming

AP2V SOLUTIONS PRIVATE LIMITED, Gurgaon

Data Science

Internshala, Online Training

The Complete front end web developer Bootcamp - 14 projects

LearnCodeOnline, INC

PROJECTS

- **Smartphone Control Arduino Rover**
Arduino based Car controlled by smartphone using Bluetooth Module and Arduino Uno
- **Data Science Project based on real life Business Problem**
 - Use a logistic regression model for classification by training the model from a given dataset and achieve
 - 90% accuracy and more than 90% by using the Decision tree model .
 - Use jupyter notebook, python, sci-kit-learn, numpy , matplotlib , pandas, etc..
